

Negra Bernhard

With her unusual color palette, Negra Bernhard paints scenes inspired by personal experiences, memories and dreams. Somewhere between Orient and Occident, her paintings are an exploration of what is going on inside and around her. Her work oscillates equally between sarcasm, insecurity and alienation from the world we live in, aiming to explore what connects us.

Negra Bernhard was born in Banja Luka, Bosnia-Herzegovina, in 1986 and emigrated to Austria with her family in 1992. She lives and works in Vienna.

2017 – 2022 she studied at the Academy of Fine Arts Vienna with Prof. Daniel Richter (diploma with distinction).
